

WEEKLY BULLETIN

The official news bulletin of Holyrood Academy

DEAR PARENT/CARER,

Welcome to the summer term at Holyrood! There is so much to be positive and excited about on the horizon this term.

Our Year 11 and Year 13 students are working incredibly hard to prepare for their upcoming examinations. I know that their parents and carers are supporting them at home at what can be an intense time for these young people. Please remember that our student mental health and wellbeing team are on hand to support students (Mrs Roberts, Mrs Herfet and Mrs Dalton) and so are their Heads of Year (Mr Walker-Jones and Mrs Challis) and their Form Tutors. If your child needs some extra support in the lead-up to exams, please contact one of the staff above as they will be very happy to assist.

We also have Activities Days fast approaching (12th-14th July), so please do make sure that your child is signed up quickly for the trip they would like to attend to avoid disappointment.

HOLYROOD
ACADEMY

FEATURED THIS WEEK:

- Culturally Chard
- Holyrood's Happy Hour
- Chard Spring Festival
- Water Histories Project
- Somerset Food Champion Training
- Sports Clubs
- Turning In To Teens

CONTINUED.....

CONTINUED.....

Activities Days are always a highlight of the school year and we would love for every child in Years 7-9 to be enrolled on a trip (Year 10 are completing work experience and Year 11 are finished!).

Please do contact our Finance Department if you would like to discuss the financial support available for trips, which form an important part of students' experience of school and wider personal development.

Finally, I hope you have had the chance to read our Ofsted report, sent to you this afternoon. I am incredibly proud of our students and staff, as I hope you know, and I am also extremely grateful to you for your support over the past 3 and a half years. I can't believe it has been that long since I took over as Headteacher, but it also seems like longer in some ways! I am looking forward to working with you to take the school forward so that it continues to improve and is the best school it can be.

Best Wishes

MR. DAVE MACCORMICK

Headteacher

UPCOMING EVENTS

Fabulous events coming up soon for Holyrood Academy

More information on all of these events online soon:

Saturday 13th May	Car Boot and Dog Show
Saturday 10th June	Car Boot

TURNING IN TO TEENS | PARENTING PROGRAMME

Dear Parent/Guardian,

You are invited to take part in a free programme that aims to help you and your adolescent manage the many emotional challenges of this stage of life. Tuning in to Teens is a six-week parenting programme. The programme will teach you how to manage your own and your adolescents' emotions in ways that help you to remain close and keep communicating. By learning these skills, you are less likely to have as much conflict within your family and your teen is more likely to talk to you about the challenging issues they face. These are factors that have been found to reduce the risk of mental health and substance abuse problems.

What is Emotional intelligence?

The programme is based on the concept of Emotional Intelligence. Emotional Intelligence (EQ) is about using your emotions to guide you through the world. It is about being able to use your own knowledge of emotions to make decisions, to calm yourself down, to manage anger and conflict, to help you in your relationships with people, to know what is happening in social situations, and to assist you in many aspects of life where you or another person are involved.

Why is Emotional Intelligence important?

Research has shown that teens with greater emotional intelligence:

- are more aware, assertive and strong in situations of peer pressure
- have greater success with making friends and are more able to manage conflict with peers
- are more able to cope when upset or angry
- have fewer mental health and substance abuse difficulties
- have more stable and satisfying relationships as adults
- have greater career success. Emotional Intelligence may be a better predictor of academic and career success than IQ.

When parents focus on helping their teen learn about emotions, the young person is more likely to have higher emotional intelligence. In this parenting programme we will teach parents what to do to help these skills develop, and in doing so we expect teens to manage adolescence better.

To confirm your participation in this parenting programme, please send an email or the attached booking form via email, to Caroline Markham at cmarkham@holyrood.uat.ac.

The dates for this course are as follows:

Tuesday 9th May 2023
Tuesday 16th May 2023
Tuesday 23rd May 2023
Tuesday 6th June 2023
Tuesday 13th June 2023
Tuesday 20th June 2023

Lovely written comments from Parents, following the recent Tuning into Teens Course:

“Helped me to understand my kids and see where I went wrong during arguments”

“I can see a considerable change at home from all of us and better behaviour...”

“A well explained course, made fun & interesting....”

“Things much calmer at home”.

“I feel everyone should do the course...”

“Well taught, talked through how to implement approaches...”

“Sad to end the course – more sessions would be nice J”.

The time for this will be **5.30pm - 7.30pm** and will be at Holyrood Academy - please report to the main reception a few minutes before the start time; refreshments provided. If you have any questions, please feel free to contact me.

Kind Regards
Caroline Markham
(Parent & Family Support Advisor)

ACUTE HOSPITAL-BASED STROKE SERVICES - PUBLIC CONSULTATION 18-25 YEAR OLDS

Background:

Stroke is a sudden and life-changing event and is a leading cause of death and disability in the UK. Over recent years, there have been significant advances in proven, highly effective methods of stroke treatment and care.

NHS Somerset is running a public consultation to gather feedback about the future of acute hospital-based stroke services in Somerset, from people living in Somerset and people who use Somerset hospitals. Acute hospital-based stroke services is the specialist hospital care people receive in the first few days and weeks when they first have a stroke.

We're committed to understanding the needs of our local population to make sure we can continue to deliver the best possible health and care services in Somerset.

The public consultation runs from Monday 30 January 2023 for 12 weeks until midnight on Monday 24 April 2023.

We need to ensure that we are hearing a diverse range of voices and this includes the views of young people in Somerset.

For more information:

·Main website for useful information: Acute hospital-based stroke services - Somerset Integrated Care System (somersetics.org.uk)

·Consultation Documentation: Stroke-Consultation-Document-FINAL.pdf (somersetics.org.uk)

·Frequently Asked Questions: Stroke consultation FAQs - Somerset Integrated Care System (somersetics.org.uk)

·Upcoming events: Stroke events - Somerset Integrated Care System (somersetics.org.uk)

Congratulations Team Addams!

What an incredible Spring Term we have had! The Creative Arts Faculty have most definitely packed this term with a whole menu of opportunities for our students at Holyrood, from Musicals to Mixed Media, Concerts to Careers, and Trips to Theatre! It has certainly been busy. What has been an absolute joy to see is the increasing amount of students who are getting so creatively involved in both their lessons and the extra curricular clubs and trips that we have on offer. We know that school is much more than just examinations, and by 'joining in' so many students are enriching their learning, making memories and most importantly having fun –all of which was clearly evident in our production of 'The Addams Family'. Wow! What a show and one that involved nearly 100 students, on stage and off, from Years 7 –13. The word 'family' was very appropriate for this production as it was lovely to see many new friendships formed throughout and a real sense of support, respect and comradery from our young people. We were so proud of the final performance and it really was wonderful to see students of all ages and abilities working together –a real testament to our school vision of promoting social justice and mobility. Congratulations to all involved! And a HUGE THANK YOU to our wonderful Creative Arts Staff who put in so much of their own time to helping make shows like this such a success.

As we head towards May I would also like to personally wish all of our GCSE, A Level and BTEC students taking Creative examinations the very best of luck –remember we are here for you so please do utilise any revision sessions and support that is available. We have absolute faith in you all!

Mrs J Lowe (Head of Creative Arts)

In lessons this term with Art, Music & Drama...

Exploring colour and perspective has led to some impressive watercolour landscapes by Year 7 this term and we could not be prouder of our Tim Burton inspired Year 8 work which became the backdrop to The Adams Family Musical. Mixed Media has been the medium for Year 9 artists as they explore the theme of the microscopic world. KS3 drama students have been developing their skills in creating drama work with Year 7's fantastic slap stick pieces in 'Silent Movies', Year 8's devising from stimulus and Year 9 students learning how to 'hook' an audience through dramatic techniques and conventions. Theatre creation has also followed through into drama lessons with exploring the roles and responsibilities of those working in professional theatre (Year 8) and the screening of live theatre performance with Year 9 watching The National Theatres 'Small Island'. Music has had a 'show' theme this term with Year 7 creating ostinatos from Harry Potter, Year 8 delving into Musical Theatre and Year 9 composing their own film soundtracks using our new mac suite to learn more about music technology –the results have been epic! All of our KS4 & 5 students studying qualifications in the arts are now heavily into exam preparation, but a huge congratulations on the performances, compositions and art work that has been submitted so far as part of the course –Holyrood has talent!

Creative trips and workshops this term...

There has certainly been plenty of opportunities outside of the classroom for creativity this term! Our fabulous Art team has ventured into the city with trips to Exeter RAMM and London's Tate Gallery where students have been exposed to artists and artifacts to inspire their own work at GCSE & A Level. Drama have also explored the capital with Year 11 for our annual trip to watch 'The Woman in Black', a very special occasion as this show now ends its run on the west end after 30 years! Selected Year 8 students had full run of The Octagon Theatre in Yeovil where they had a private backstage tour and a workshop with the acclaimed Somerset Youth Dance Company. We were also proud to visit Restart Primary School this term with our drama enrichment class who performed their own versions of 'The Highway Rat' to KS1 students which was wonderful to see. Our creative work in the community continued this term through working with Richard Tomlinson on a green screen and dance project that was exhibited in March with silhouettes of year 8 students projected on the Guildhall. We also welcomed back the Jackdaw music project for schools and students from Years 7 –13 have been rehearsing for the Klezmer music project; a series of Jewish pieces for an ensemble on the 28th March.

Our application for Arts Mark...

We are excited to inform you of our application to become an Artsmarkcertified Academy! The Artsmarkaward is the only creative quality standard for schools and is designed to embed arts, creativity and culture into all aspects of education. Our journey so far has given us a real insight into the quality of arts provision here at Holyrood and ways in which we can develop these. This includes student engagement, our curriculum, our range of offer, partnerships and our own values and ethos. To be awarded we need you to give us feedback on how our Creative Arts provision has positively impacted your child. Please follow this link to complete this survey:

Creative Careers!

We are also super proud to announce that this year we have a record number of students who have been accepted into prestigious schools of Art and Drama as well as universities! This term we have been informing students of the many careers available in the Creative Arts industry. From assemblies, university visits and our social media 'career of the week' posts we are here to promote professions in this sector. Look out next term for opportunities to join in with a Q&A with past students who are now working successfully in the arts.
