

3<sup>rd</sup> December 2020

Dear Parents/Carers

### Period 6 lessons

I would like to start by thank you for supporting our drive to make sure that all Year 11 students receive the academic support they need to prepare well for success in the upcoming summer exams. I have been really impressed to see the excellent attendance and attitudes of the vast majority of Year 11 students who have shown a committed and studious approach to using these sessions to consolidate what they learned during the lockdown.

Our Period 6 lesson provision will in most cases pause until we notify you in the new year, as of Friday 4th December. This means that there will be no Period 6 lessons in the weeks commencing 7th and 14th December.

This is to allow students and teachers to focus upon their upcoming mock exams. Where there are exceptions to this, such as where subjects have upcoming 'real' examinations in January, we will be in touch to confirm arrangements.

### Mock Exams

You should have hopefully received a copy of your child's mock exam timetable.

Due to COVID restrictions we are unable to provide all students with exam stationery packs for the mocks, so please can we ask that you ensure your child brings the basic stationary into every exam: black pen, pencil, ruler plus any subject specific equipment they may require e.g for maths.

Also, just a reminder that students are able to bring a bottle of water into the exam but this must be in a n unlabelled bottle.

Thank you for your support with this

Yours sincerely

Dave MacCormick
