Dear Parent/Carer,

Revision Guides

It has been brilliant to see Year 10 students return to school in a really positive fashion. As we near the end of Year 10 and start to prepare for Year 11, we are starting to help support students to be looking ahead towards their GCSE exams to help reduce the pressure upon them next academic year.

I would like to bring to your attention the fact that you are able to purchase GCSE revision guides through the Academy to help students supplement generic online revision resources.

Students may already have appropriate revision guides as some departments have previously offered them to the students. It is not compulsory to order the guides but you may find that they are a useful additional revision tool for the students. Often we are able to offer them at a discounted price.

Enclosed with this letter you will find a list of the available revision guides. If you wish to order any, please go to the Holyrood Academy website and order online through SCO-PAY by **Friday 7th May 2021**.

If you currently do not have a SCOPAY account, please contact holyroodfinance@educ.somerset.gov.uk providing the students name and we will then provide you with instructions to create an account.

Yours sincerely,

Mr R Crocker
