

HEADTEACHER: MR DAVID MacCORMICK

15<sup>th</sup> June 2021

Our Ref: KL/LK

Dear Parent/Carer,

In order for your son/daughter to achieve their very best, it is important that they have the correct equipment to use in lessons and for homework. The students also have an end of year “mock GCSE exam” which they will be completing on 13<sup>th</sup> July.

Should your son/daughter require a calculator (Casio FX-85GTX Solar), they can now be ordered from the school for £9.95. If you wish to order a calculator, please go to the Holyrood Academy website and order and pay online through SCO-PAY by **Monday 28<sup>th</sup> June**.

If you currently do not have a SCOPAY account, please contact [holyroodfinance@educ.somerset.gov.uk](mailto:holyroodfinance@educ.somerset.gov.uk) providing the students name and we will then provide you with instructions to create an account.

The latest date that this can be done is **Monday 28<sup>th</sup> June**. This is so that we can get this equipment to students as soon as possible.

Your continued support and co-operation with the Mathematics Department is always appreciated.

Yours sincerely,

Ms K J Laws  
(Curriculum Team Leader Mathematics)
