

HEADTEACHER: MR DAVID MACCORMICK

June 2021

Dear Parent/Carer,

We hope that your son/daughter had an enjoyable and informative day on Tuesday during our Year 11 to 12 Transition Day.

During the day the students were able to gain a small insight to what life is like in our Sixth Form by trialling some Level 3 lessons; learning about our expectations of them and those they can have of us with regards to high quality teaching, enrichment opportunities, instilling and supporting efficient and effective learning habits and our pastoral support.

They were also informed about the Summer Bridging work which has been provided electronically for the students to ensure they are able to have a successful start in September with us. Each student has been enrolled onto this virtual learning platform via Google Classroom and can access the full range of subject work we are offering in September. Students, however, are only expected to engage with the subject work they intend to study in preparation for their Induction Day on the 6th September - this day will start at 08:30.

When accessing the Google Classroom students must login via RUnify using their Holyrood email address and join the 'Securing a successful start in the Sixth Form':

Web link: <https://classroom.google.com/c/MzU5NTQ0MDcwNTYx>

Class code: nsos44m

For those students who were unable to attend the Transition Day, please be reassured we have kept their student accounts active, so they are able to access the resources and there is clear guidance for each of the Summer Bridging tasks.

We look forward to congratulating all of Year 11 on their results on the 12th August and beginning the enrolment process. Detailed information on enrolment will be enclosed in their result envelopes with the opportunity to enrol on either Thursday 12th August or Thursday 2nd September.

If you or your son/daughter should have any questions please do not hesitate in contacting the Sixth Form on 01460 260109.

Yours faithfully

Mrs F Challis
Head of Sixth Form
