Dear Parent/Carer

Sixth Form Virtual Information Evening - Thursday 15th July 2021

All Year 10 students and their parents are invited to attend our Sixth Form Virtual Information Evening starting at 5.30pm on Thursday 15th July. This event will take place online to ensure everyone's safety due to the current restrictions still in place for COVID-19.

The evening will begin with a short presentation from Mr MacCormick and members of the Sixth Form team on the following Zoom link; with the presentation being repeated again at 6.15pm (we advise that you login five minutes before either presentation begins to allow time to be admitted):

<https://us02web.zoom.us/j/87430096334?pwd=eE5wb29CdWtML3lacXJVAlA1UjFxdz09> Meeting ID: 874 3009 6334
Passcode: P3GgHB

To use Zoom you only need to click on the above link, if using a mobile phone you may be asked to download an app but this is dependent on the device being used and can easily be deleted afterwards. I have also included the Meeting ID and Password, these may not necessarily be required but are there as a precaution.

Students will then have the opportunity to explore the different subject options we offer in the Sixth Form by watching individual subject videos from our specialist Level 3 teachers and reading the subject information cards. These can be found here if students are keen to starting learning more about the courses we offer:

Whilst we recognise that this is not the ideal way to introduce the vast opportunities our Sixth Form has to offer, it is important that Year 10 students continue to think about their education and career path as they prepare to enter Year 11. We intend to be fully open for the more formal Sixth Form Subject Evening in the autumn but didn't want your child to miss out on our normal preliminary information evening.

The Zoom link will remain live until 7pm so you are able to ask any questions should they arise or please feel free call the Sixth Form on 01460 260100 during our open hours.

We look forward to meeting you on the 15th July and hope that this online Information Evening enables you and your child to start to consider their Post-16 options in more depth.

Yours faithfully
