Holyrood Academy Behaviour Policy

Introduction

The purpose of this document is to ensure that individual Academies within the Trust have clarity in relation to achieving high standards of behaviour from all students and consistency in their approach to behaviour management.

These key aspects of academy practice contribute to improving student behaviour:

- A consistent approach to behaviour management
- Clear leadership across the Trust
- Effective classroom management
- Appropriate use of awards and sanctions
- Effective use of behaviour strategies and the teaching of good behaviour
- Focused staff development and effective support
- Effective student support arrangements
- Effective partnerships with parents/carers and other agencies
- Careful management of student transition between schools
- Good organisation and use of appropriate facilities

Teachers have a statutory authority to discipline students for misbehaviour, which occurs in the Academy and in some circumstance outside of the Academy, for example –

- When students are taking part in any school-organised or school-related activity
- When students are travelling to or from school
- When wearing school uniform
- Or in some other way identifiable as a student at the school

Or, misbehaviour at any time, whether or not the conditions above apply, that:

- could have repercussions for the orderly running of the school
- poses a threat to another student or member of the public
- could adversely affect the reputation of the school

The power to discipline applies to all staff.

It acknowledges the Trust's legal duties under the Equality Act 2010, and in respect to students with special educational needs (SEN) and vulnerable students.

Aims of the policy

- Promote good behaviour, self-discipline, self-esteem and respect
- Promote a culture of praise and encouragement in which all students can achieve
- Create and maintain an environment in which students are able to progress academically
- Promote independent good behaviour and citizenship.
- Ensure equality and fairness of treatment for all
- Encourage consistency of response to both positive and negative behaviour
- Promote early intervention
- Provide a safe environment free from disruption, violence, bullying and any form of harassment

- Encourage positive relationships with parents and carers, to develop a shared approach which involves them in the implementation of the academy's policy and associated procedures

Communications

Everyone within the Trust expects to be treated with respect and courtesy.

Anyone using inappropriate communication or behaviour i.e. in person, e-mails, telephone, letter or via social media will not be tolerated and could lead to further action being taken

It is important that discussions between parents, staff and members of our community be conducted in a calm and respectful manner. In the vast majority of situations, this is what happens. All members of the school community have the right to be treated with respect and courtesy. Violence, threatening behaviour and abuse will not be tolerated.

Intimidation, shouting or swearing in person, over the telephone, by electronic means or via social media will not be tolerated. This is not an exhaustive list, but seeks to provide illustrations of such behaviour.

Where there are serious concerns regarding the conduct of a parent / carer or visitor the Headteacher may;

- Initiate a meeting / dialogue with the individual
- Write to the individual describing their misconduct
- Warn the individual of the possibility of a ban from the Academy site
Impose a ban

The academy will encourage parents/carers to work in partnership with the academy to assist it in maintaining high standards of desired behaviour. They will be actively encouraged to raise with the academy any issues arising from the operation of the policy.

Consequences for poor behaviour.

Sanctions will be proportionate; the penalty will be reasonable and will take account of student's age, SEN's, disability, vulnerability and any religious requirements affecting them.

Sanctions will include

- **Detention**
 Detention will be used in response to incidents such as; a follow up to 'Ready to Learn', not completing Extended Study, wasting time in lesson, or disrupting the learning of others.
 Parental consent is not legally required
 Detention can take place at lunchtime or at the end of the day. When lunchtime detentions are given, staff should allow time for students to eat; - drink and use the toilet
 Staff will arrange detentions in order not to compromise a student's safety.
- **Acceptable Behaviour Contract (ABC)**
 An ABC is only to be used when a student is at risk of permanent exclusion. It sets out a graduated response to unacceptable behaviour with a clearly mapped out series of consequences.
 Failure to behave in an acceptable way when on an ABC could lead to Permanent Exclusion.
 An ABC will only be used if authorised by the Headteacher and in agreement with the parent and the student.

- **Exclusion** See Exclusion Policy
- **Confiscation of inappropriate items**
 - Staff have the authority to confiscate items which are not appropriate to be brought to the Academy
 - Confiscated items will be handed into main Academy Reception, where a decision will be made by the Headteacher as to the appropriate course of action.
 - Senior staff can search without consent for inappropriate items, for example knives, alcohol, stolen items, tobacco/cigarettes/lighters, and for any item that has been or is likely to be used to commit an offence, cause personal injury or damage to property.

Power to use reasonable force

Staff will use reasonable force to prevent students from committing an offence, injuring themselves or others or damaging property. Senior staff may use force as a last resort to maintain good order and discipline in the classroom, for example to remove a student causing disruption or threat to others. This will be in conjunction with following the separate advice in 'Use Reasonable Force- Advice for school leaders, staff and governing bodies'.

Appendix A: Holyrood Academy Procedures

Introduction

Holyrood Academy encourages good behaviour through a mixture of high expectations, clear policy and an ethos which ensures students are 'Ready to Learn'. There is a range of rewards to reinforce and praise good behaviour, and clear sanctions for those who do not comply.

The commitment of staff, students and parents is vital to develop a positive whole school ethos. Holyrood Academy reserves the right to apply this policy to all students and any time a student is recognisable as a Holyrood Academy student regardless of whether this is before/during/after school hours. The application of this policy is not dependent on whether the student is wearing school uniform.

Ready To Learn (RTL)

Aims

- To eliminate disruptive behaviour, so that there is a culture of achievement, ambition and learning everywhere in the school, and no learning time is wasted
- To provide clarity for staff and students about acceptable behaviour and the consequences of misbehaviour
- To encourage students to take responsibility for their own actions
- To enable teachers to deliver engaging and creative lessons without concern for behavioural interruptions as barriers

Classroom expectations at Holyrood Academy:

- Arrive on time.
- Sit where you are asked.
- Be ready to learn within 30 seconds.
- Listen respectfully to others.
- Stay on task.
- Follow instructions from all adults.
- Allow others to learn.
- Be polite and treat others with respect.
- Treat the classroom environment with respect.
- Follow the mobile phone policy.

If a student does not adhere to the Ready to Learn expectations they will be told that they have a 'warning' and that this will be recorded on SIMS. If a student does this for a second time, they will be sent to the Ready to Learn room for 24 hours, including a break time and a lunch time.

Appeal and Restoration

If students feel they have been unfairly or incorrectly placed in isolation they have the right to appeal. All students will complete a reflection sheet upon entry to the isolation room and may use this to indicate if they feel the isolation is unfair. Any staff member who sends a student to isolation must visit the student (within the 24-hour period) and complete a restorative conversation.

Restorative Justice

Restorative Justice is a process which restores relationships where there have been problems. It is an opportunity for both sides to explain what happened and to try and come up with a mutually acceptable solution. When there has been an issue the people involved will meet with a mediator to ensure a calm and civil meeting and to move towards a solution.

This approach encourages both parties to take responsibility for their actions and make them aware of the impact they are having on others. It is also very helpful to hear the other side of the story and really appreciate why others may be upset.

The Red Card detention

The 'Red Card' detention is a 20-minute break time detention for anti-social behaviour in and around Holyrood Academy.

Expectations at Holyrood outside classrooms:

- Walk indoors and move calmly around the site.
- Use appropriate language at an appropriate volume.
- Be polite and treat others with respect.
- Follow the mobile phone policy.
- Put litter in the bins.
- Eat in the designated areas.
- Respect the Academy site and other people's property.
- Wear uniform correctly.
- Follow instructions from all adults.

Additional sanctions will include those explained on pages 4-5 of the Trust Behaviour Policy.
