E-Safety Policy (Students)

The school's IT system (inc access to the Internet, e-mail and other digital resources) are there to support your learning. To help keep you safe and everyone else safe and to ensure that you make use of these resources in a way that is appropriate and legal the following rules have been put in place. Please read them carefully and if there is anything you don't understand, please ask your tutor or ICT teacher.

I agree that:

- I will never share my password with anyone or use anyone else's password. If I become aware that my own password has become known to someone else, or I find out someone's password I will immediately inform the ICT Technical Support Team
- I will never infringe the security or privacy of another user. I will never attempt to access or alter their files or folders, or tamper with their storage area on the school system or any removable media (e.g. flash drive) they may have.
- I will do everything I can to keep myself and others safe on the Internet. I will never disclose or publicise personal information about myself or others (e.g. home address or telephone / mobile number), nor will I respond to requests using SMS or agree to meet with someone.
- I will always treat other IT users with respect and will never harass, threaten, harm, insult or offend them.
- During lessons, I will only use the school's IT systems and equipment for educational purposes linked to the learning objectives of the lesson. At break and lunchtimes students I may use the facilities for personal purposes provided they meet the other sections of the policy
- I will take care of all IT equipment and the IT environment and I will not remove any IT equipment from its current location, either temporarily or permanently.
- I will not download or bring into school unauthorised programs, or attempt to install or store them on the school's IT system or on any of its equipment.
- I will never knowingly introduce a virus or other malware to the school's systems
- I will not access or download inappropriate (e.g. pornographic, racist or offensive) materials and will ensure that none of my files contains such material. This includes viewing, displaying, downloading, and printing, sending, or otherwise transmitting materials.
- I will switch off or close my screen immediately and report to a teacher if I discover an unsuitable site.
- I will not access Internet chat rooms, social media websites, or messaging services (inc chat sites) using the school's system. I will not access online games sites during lessons
- I am aware of the 'Report It' button and know when to use it.
- I will not make audio or video recordings of another student or member of staff without their permission.
- I will never send or forward inappropriate images of myself (or others) to another person and understand that to do so is criminal offence.
- I will not copy information into assignments without fully acknowledging the source of it. I understand that if I break this rule it could be classed as plagiarism and/or copyright

infringement and so have serious consequences, particularly where the work is being submitted for exam purposes.

- I will not copy or distribute any copyrighted material (inc software, video, music etc.) and understand that it is illegal to do so.
- I will only use my school email account for school work and school related activities. When writing, or replying to emails I will always be polite towards others and tolerant of their views in what I say. The same applies to any attachments I may send.
- I will only open emails (and any attachments) if they come from someone I already know and trust.
- I will not forward chain e-mails, send spam or spoof e-mails or e-mails containing hoax virus warnings.
- Staff may review my files and communications (inc. e-mails) where there are concerns about the content and/or to ensure that the system, equipment and other media are being used responsibly. This may include random checks.

Please remember that if you act in an inappropriate manner your access rights may be withdrawn, which would adversely affect your learning, and further sanctions may also be imposed.
