MONDAY 9th November (Week B)

## DIFFERENT SYSTEMS, SAME PURPOSE

Today sees the changing of some of our systems on site so that our students can have access to all areas of the school and so that their lessons are not cut short by teacher travel time. As I write this, I have observed every lesson change over of the day so far, as well as been on duty during breaktime and lunchtime. Our students never fail to amaze me and have responded brilliantly to the changes.

Some key points:

- Tutor rooms have moved, students need to remember to attend the right one in the morning!
- There is now a one-way system in place on upper site. There are arrows down the main corridor to show the way.
- Face coverings are available from both Receptions for students who have forgotten. Please encourage your child to wear theirs and bring their own. Remember, they should be stored in a sealable bag and face coverings should be fresh each day.
- Students are to use the fire assembly point markings for rooms to line up for A/B Block lessons on Upper Site and for L/M Block lessons on Lower Site.
- All students must stay in their allocated social zones at break and lunch times to keep bubbles intact.

Thank you, as always, for your support. I am very confident that this model of operating still keeps students safe but does so in a way that their education is prioritised.

## MUSIC TUITION - AVAILABLE TO ALL OUR STUDENTS!

We offer music tuition on a variety of instruments:

Drums, Guitar, Bass Guitar, Flute, Violin, Piano, Saxophone and Clarinet. If your child is interested, there is a cost for lessons unless you are in receipt of free school meals or pupil premium.

You can arrange for more information by emailing [nwilsher@educ.somerset.gov.uk](mailto:nwilsher@educ.somerset.gov.uk) and one of the music team will get back to you as soon as possible.

## COMPULSORY MASKS

Thank you to everyone who is making such an effort to stay safe and keep others safe by wearing a mask around the Academy.

Please ensure your child has a mask at school, and a sealable plastic bag to store it in when not in use.
